

New Dancers Class
Our Two Major Events Throughout The Year!
& Anniversary

We make it a rule to give our [New Dancers Class] to the beginners from the end of February (or the beginning of March) to the end of June (or the beginning of July) every year. When the class completes its "Basic" Program course, the [Smile Party], i.e. New Dancers' Commencement, is held. And then in August, [Do Sa Do Party] in Tokyo Metropolitan Area is held for celebrating the new dancers' completion of the beginners' training course.

Ladies and Gentlemen,
Today is the forty-three anniversary of TOKYO Square Dance Club. **Congratulation!!!**
First of all, I would like to thank Japan Square Dance Association for having helped the development and promotion of Taiwan Square Dance activities.
Especially, I would like to thank Vice President Okiyoshi-San and Chairman Wada-San who had ever led twice Japanese square dancers to attend Taiwan Square Dance Convention.
We hope the friendship between Japan and Taiwan **lasting forever**. We also hope Taiwan's square dancers can attend "Japan Convention" and "Anniversary of Japan Square Dance Clubs" that will be held in the near future.
Last but not least, I would like to wish every one of you enjoying your time here together, and the Party held **smoothly and successfully**. Thank all of you.

joined our regular dancing session on Saturday evening of April 19, 2003 in the midst of his first trip to Japan making use of Easter holidays. He began SD just one year ago, and is a MS level dancer. Also, his hobby is travelling, and this time he visited Tokyo first, and then came round to Fukuoka via Kyoto afterwards.
